Stand Out In The Crowd With Mobile Device Charging Kiosks

WHAT IS A MOBILE DEVICE CHARGING KIOSK?

Driving Traffic, Captivating Interest!

The Barbooster is a one-of-a-kind phone-charging kiosk that provides a 10-minute rapid charge for all cell phones and mobile device models and carriers. **What other sponsorship vehicle provides a captive audience?** The BarBooster generates interest in your products/services and immediately drives traffic to your booth. Align your company with an unbeatable customer service.

<p>Choose A Charger Tip Changeable charging tips provided</p>	<p>Connect The Device Compatible with all cell phones and carriers</p>	<p>Charge Up And Deliver Your Message A captive audience for 10 minutes! Optimal for promoting your services/products. It's as easy as that!</p>

The BarBooster

Why a charging kiosk?

- A captive audience
- 10-minute rapid charge
- Driving traffic to your booth
- Unbeatable Customer Service
- Blue-tooth enabled
- Cutting-edge technology
- Finally, something new to the event market

"Because a low-battery signal is a warning of increasing significance in today's mobile world, charging stations can be an oasis for power-thirsty attendees."
