## **Crusin' Maryland! Evening Event**

**Cruise through Maryland with us! Stops along the way showcase the diverse offerings of the state from food and beverage to arts and entertainment. Travel our highways through the iconic gems of the state, celebrate our sports teams, travel to the mountains of Western Maryland and the shores of the Atlantic all in one exciting evening. To keep you cruisin', the Rob Byer Band and The Reagan Years will be performing throughout the night on the main floor and local artists Dean Rosenthal and Nadine Rae will perform in our very own blues & jazz lounge. Experience why they call Maryland "America in Miniature". This is one night not to be missed!
